

**Let's Start, course B**

**Let's start, course B** is an online course, consisting of 40 units of English, and providing approximately 40 hours of study for students.

Students should not study **Let's start, course B** unless that have already completed **Let's start, course A**, as the lexis and grammar revised at the end of each module includes material studied in **Let's start, course A**

**Course aims**

To take students from absolute beginner, CEFR A0/A1- up to A1, where they can start studying an elementary course. The course focuses on basic grammatical forms and essential, high frequency lexis.

**Grammar**

By the end of the course, students will be able to:

- use the verb to be in the affirmative, negative and interrogative with nouns, verbs in the present participle, and adjectives.
- use the present simple and present continuous forms of verbs.
- use demonstratives, there is/there are, and can as a modal verb for ability
- create questions beginning with question words for information, and auxiliary verbs for affirmative or negative answers.

**Vocabulary**

By the end of the course students will have learnt approximately 75 common nouns, and had practice in numbers and the alphabet as well as substantial spelling practice.
