

Introduction

Pre-Intermediate Power 60 Course B is an online course, consisting of 50 units of English, and providing approximately 60 hours of study for students.

Course aims

To take students from Pre-intermediate, CEFR A2 up to B1. The course blends grammatical structures necessary for this level, with vocabulary, including simple verb + preposition combinations, spelling, reading, listening, writing and speaking.

Grammar

By the end of the course, students will be able to:

- form sentences in the present, past and future, in the affirmative, negative and interrogative forms. Students will be able to use continuous forms to talk about the present. They will be able to form tenses with regular and irregular verbs.
- form sentences using the present perfect to talk about past experience.
- talk about quantity using some and any, and much, many and a lot of with countable and uncountable nouns
- use modal verb forms to talk about such functions as ability, possibility, certainty, and mild and strong obligation
- connect sentences using a range of conjunctions and other connecting words
- identify transitive and intransitive verbs forms, and be accurate when following one verb form with another, which will be in the gerund or infinitive form
- use articles correctly
- use the correct word order to form affirmative, negative and interrogative sentences

Vocabulary

By the end of the course students will have learnt approximately 400 lexical items, including common nouns, verbs and adjectives, and simple lexical sets.

Skills

By the end of the course students will have had exposure to and practice in reading and hearing about everyday routines, biographies, countries and cities, TV and films and simple stories.
