

Introduction

Upper Intermediate Business Power is an online course, consisting of 50 units of English, and providing approximately 60 hours of study for students.

Course aims

To give students at Upper Intermediate, CEFR B2 level practice in general and business-oriented language required for general business contexts at this level. The course blends grammatical structures necessary for this level, with vocabulary, reading, listening, writing and speaking.

Grammar

By the end of the course, students will be able to:

- talk about quantity.
- accurately use countable and uncountable nouns.
- use conditional sentences to talk about unlikely actions in the future and impossible alternative present and past situations, and regrets.
- use modal verbs to talk about possibility, certainty, advice and obligation
- differentiate between the present perfect and simple past
- talk about the future, using a variety of verb forms.
- report what people have said and questions they have asked

Vocabulary

By the end of the course students will have learnt approximately 400 lexical items, including nouns, verbs and adjectives, phrasal verbs, idiomatic language and lexical sets.

Skills

By the end of the course students will have had exposure to and practice in reading and hearing formal and informal English from a variety of business contexts. including meetings, presentations, travel arrangements and dealing with staff.
